

STAGE 3 – MANDATORY WATER RESTRICTIONS

GLIDER BASE ESTATES WATER SYSTEM (PWS ID:2490028)

EFFECTIVE JULY 1 – SEPTEMBER 30

(Or as determined by system conditions)

1. PURPOSE

These restrictions are implemented by the Water System Operator in accordance with the **Drought Contingency Plan (2026)** to:

- Maintain minimum system pressure (20 psi)
- Prevent depletion of storage tanks
- Ensure continuous water service
- Protect public health

2. IRRIGATION RESTRICTIONS

Outdoor watering is **STRICTLY LIMITED** to the following schedule:

- Mondays: Addresses ending in 1, 2, or 3
- Wednesdays: Addresses ending in 4, 5, or 6
- Fridays: Addresses ending in 7, 8, 9, or 0
- No watering between 10:00 AM – 8:00 PM

3. ALLOWED WATER USE

- Watering of trees, bushes, and gardens is allowed
- Essential indoor residential use
- Controlled irrigation following assigned schedule

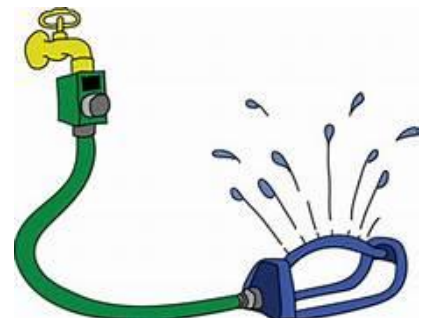

4. POOLS

- Pool filling is strongly discouraged
- If necessary:
 - ✓ only at night
 - ✓ Use low pressure
 - ✓ Notify Palo Duro Service before filling (817) 992-4051

5. WATER HAULING RECOMMENDATION

- Phillips Water Hauling – (817) 599-8600
- H2Eco Bulk Water Delivery – (512) 200-3255

Palo Duro Service Co., Inc. is not affiliated with these providers.

6. NON-ESSENTIAL WATER USE (PROHIBITED)

- Washing driveways or sidewalks
- Water waste or runoff
- Failure to repair leaks
- Decorative water use without recirculation
- Any unnecessary outdoor water use

7. ENFORCEMENT

Violations may result in:

- Written warning
- Fine
- Service restriction or temporary interruption
