## **Public Accessibility Documentation**

**PWS Name: Duchane Chateaux** 

PWSID: 1840100

**Purpose of this worksheet:** For systems to provide documentation to states on how public accessibility requirements of the LCRR were met. *All information on this page is required.* 

Remember that the LCRR requires systems to use a location identifier for service lines that are lead and galvanized requiring replacement. Water systems may, but are not required to, include a locational identifier for lead status unknown service lines or list the exact address of each service line (40 CFR §141.84(a)(8)(i))).
